All the comforts of home... and then some.

OAKLEAF VILLAGE

of COLUMBUS

Independent Living | Assisted Living

Oakleaf Village is presented by
The Wallick Companies, specialists in senior
property management and development.

Welcome Home

You'll notice the difference the first time you walk through our doors — Oakleaf Village will make you feel right at home. The surroundings are beautiful. The food is excellent. And quality professional services are always close at hand. But what else would you expect?

After all, you're home.

Live life to its fullest

Bring your favorite books and treasured photos. Visit with friends in the living room, plan a party in the family room, or take a stroll on the beautifully landscaped grounds. Life at Oakleaf Village includes all the comforts of home.

A reputation of excellence

Our excellence in senior communities has been building smiles for more than 30 years. The most important thing we provide shines from the faces of our residents and their visitors — smiles.

Personal care services you need

Your custom-designed personal care program will have exactly what you need — from basic services to more customized programs and monitoring.

Independent living includes

- An evening meal
- Coffee and juice bar
- All on-site activities
- Transportation to off-site activities
- Alarm systems monitored 24 hours a day
- 24-hour professional staffing
- Weekly housekeeping
- Free laundry facilities
- Health & Wellness clinic
- The following utilities: water, gas, trash and electric
- Apartment and community maintenance

The professional care you deserve

Oakleaf Village employs only professionals trained in their individual areas of expertise. Our committed and dedicated staff provides you with the services you can count on.

An extra measure of concern

Oakleaf Village is home and more. Each apartment includes fire systems, bathroom handrails and an emergency alert system. Your well-being is monitored 24 hours a day.

What you can expect to pay

Costs depend on your choice of floorplan and the level of personal care. However, one monthly fee covers all services and amenities — your assets remain your own.
